

## **[Your Business Name] Money-Back Guarantee**

At [Your Business Name], we stand behind our products and offer our customers a 30-day money-back guarantee. If you're not completely satisfied with your purchase, we'll refund your payment in full, no questions asked.

To be eligible for a refund, your item must be unused and in the same condition in which you received it. It must also be in its original packaging. For digital products, refunds are available provided you haven't downloaded or accessed the content.

To start your return, please contact our Customer Support team at [email address or support page link].

We'll provide a pre-paid return label and detailed instructions for sending your item back. Once we receive your return, we'll process your refund to your original payment method within 5 business days.

Exceptions to our guarantee include customized products and digital content that has already been downloaded.

[Your Business Name] is committed to your satisfaction, and we're always here to help if you have any questions about our policies.
